

Summer Bible Reading Plan

- 1) Read today's passage.
- 2) Pay attention to what the passage says and underline it with the following color code:

In blue - names for God (including all the persons of the Trinity)

In green – commands, description of a life that pleases God

In red – any reference to the work of Christ, who he is, names for him, promises that point to him

In orange – anything that refers to the hope we have in Christ, the love of God, the life that is to come

In purple – description of a life that doesn't please God

- 3) Discuss with your parents or answer in your journal 2-3 of these questions:

Observation questions:

- a. What passage did you read?
- b. What literary genre is it (Law, History, Wisdom and Poetry, Prophecy, Gospel, and Letters)
- c. Who are some of the main characters in this section? Which of them are for God? Which are against God? How do you know?
- d. What did you learn about God (the Father, Son or Holy Spirit)? What does he love? What did he say? What did he do? What does that teach you about who He is?

Interpretation questions:

- e. Did you see any glimpses of Christ – who He is, what He does, what will He do?
- f. Was there anything you didn't understand in this passage? Anything confusing?
- g. Are there words that you would like to learn their definition?

Application questions:

- h. How does God want to change you from reading this passage? Ask the Spirit to show you in light of what you learned today about God (his purposes, desires and character), what needs to change in your life? Ask him to change you more and more to be who you are in Christ.

Family project ideas:

1. Create a BIG list of all the characteristics you learn about God each day. Write it in sentence form:
 - God is _____
 - God does _____
 - God _____
2. Create a giant timeline, placing each passage in the storyline of redemption.
